Dispatch Notes:

The driver will need to tell the shipper they are picking up for Midex Corp!

Please update Midex Corp promptly at the email tracking@midexcorp.com or 888-970-5240x3 upon:

1. Arrival at the shipper.
2. When loaded but prior departing from the shipper, Carrier must provide quantity, weight and BOL number to Midex Corp
(If shipper does not provide BOL the carrier must provide their own).
3. Provision of the unit position updates every four (4) hours while on route.
4. Arrival and departure from any customs/broker or transfer stops.
5. Arrival at delivery.
6. When departing the delivery with the proof of delivery information.

We do require carrier's drivers to use the following guidelines while operating at the dock:

- The driver is the only person who is authorized to operate the truck and the equipment on it.
- The driver must notify the dispatch and the dispatch the broker about the emergency at the dock. In the event of an accident, the driver is liable to obtain the accident report or any other related documents on site.
- The driver should be present during loading or unloading the freight from the truck unless it is not allowed by the loading/unloading facility
